

On July 3, 2019, the Secretary of the Environment adopted amendments to Regulations .08 and .09 under COMAR 26.17.02 Stormwater Management. This action, which was originally proposed in the Maryland Register 46:3 pp. 156-158 (February 1, 2019) incorporate by reference the following:

- [Standard Stormwater Management Plan for Agriculture Structures \(SP1\)](#),
- [Standard Stormwater Management Plan for Poultry House Sites \(SP2\)](#); and
- [Standard Stormwater Management Plan for Single Lot Residential Construction \(SP3\)](#)

The amended regulations may be found on the Division of State Documents COMAR Online website here:
