

Maryland Asbestos Licensing Exams Now Available for Remote Testing and In-Person Testing

Anne Arundel Community College's Testing and Assessment Services is pleased to be able to offer remote and in-person testing options for Maryland Department of the Environment (MDE) Asbestos Licenses. Exams are now available for both new licenses and renewals.

Test in 3 Easy Steps

1. Register for your exam online at

<https://www2.registerblast.com/aaccpartners/>

****Please note the testing fee will show on your credit card statement as PrepBlast or RegisterBlast****

2. Email your required documents to mdeexams@aacc.edu You will receive directions for what to submit after you have registered for your exam.
3. Take your exam at your scheduled appointment time.

Technology Requirements for Remote Testing

- Access to strong internet connection
- Desktop or laptop computer
- Web camera with microphone
- Zoom meeting client software
- A private room to test in
