ATTACHMENTS

The following information must be submitted for Department review and approval prior to the transfer of the drilling and operation permit. The information, upon its' approval will become a part of the permit.

1. **Two sets of drawings** must be submitted by the prospective permittee. The drawings must be identical to those that are currently on file and a part of the permit. The title block should be revised to show the prospective permittee's name.
2. **A certificate of liability** insurance showing personal injury and property damage liability for at least \$1,000,000 for each person and \$5,000,000 for each occurrence of accident. Proof of self insurance will be considered.
3. **A performance bond** must be submitted by the prospective permittee on the form provided by the Department. Bonding amounts are at least \$10,000.00, but not more than \$100,000.00 per well or at least \$50,000.00, but not more than \$500,000.00 for wells covered under a blanket bond. The appropriate bond amount will be determined after a site visit.
4. A copy of the **oil and gas lease** with the property owner.
5. A new **right of entry** agreement allowing the Department to enter the land (form provided by Department).

This Notice is provided pursuant to § 10-624 of the State Government Article of the Maryland Code. The personal information requested on this form is intended to be used in processing your application. Failure to provide the information requested may result in your application not being processed. You have the right to inspect, amend, or correct this form. The Maryland Department of the Environment ("MDE") is a public agency and subject to the Maryland Public Information Act (Md. Code Ann., State Gov't §§ 10-601, et seq.). This form may be made available on the Internet via MDE's website and is subject to inspection or copying, in whole or in part, by the public and other governmental agencies, if not protected by federal or State law.
